

Supplier Charges

Who Should Attend? This course will be of particular interest to Suppliers who want to know more about how Supplier Charges are calculated, or Supplier Agents submitting Performance Assurance Reporting and Monitoring System data for their associated Suppliers. We can combine the course with the 'PARMS and Peer Comparison' course we offer as the two are closely related.

Course Overview: this course will cover:

- What are Supplier Charges?
- Why Supplier Charges are incurred;
- Supplier Charges Reports;
- Estimating future Supplier Charges;
- How to query Supplier Charges.

Course Objectives: at the end of the course, delegates will understand:

- Who is required to submit PARMS data to calculate Supplier Charges;
- The PARMS Serials that incur Supplier Charges;
- How Supplier Charges are calculated;
- How 'capping' works;
- How Supplier Charges are re-distributed;
- How to interpret Supplier Charge Reports
- The role of ELEXON and the Performance Assurance Board in the process.

Date: on demand

Duration: two hours

Location: [ELEXON](#) or customers' offices

Cost: this course is free of charge to BSC Parties and BSC Party Agents. ELEXON may charge other organisations for training services.
